RE Triennial Review, 03-00491

Dear Chairman Tate,

By copy of this letter with an attachment for counsel for BellSouth; Aeneas Communications, LLC is forwarding its response to the subpoena issued November 14, 2003 to the office of Mr Guy Hicks

Please note that neither BellSouth's reply to my motion to recover the costs of complying with the subpoena, nor the order of the Authority, was delivered to my mailing address. We are not objecting to the order entered effectively ex parte, but I would appreciate it if everyone would check the address you are using for correspondence to me, and use the address on the letterhead above

Thank you

Sincerely,

Paul F Rice
